EXAMINER

DATE CONSIDERED

*Examiner: Initial if citation considered; whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

*Unique citation designation number.

*Applicant is to place a check mark here if English language Translation is attached.

*Enter Office that issued the

document, by the two-letter code (WIPO Standard ST.3)

*For Japanese patent documents, the indication of the year of the reign of the Emperor must precede the

serial number of the patent document.

*Indicate document by the appropriate symbol as indicated on the document under WIPO Standard ST. 16 if possible.

*Applicant is to place a check mark here if English language Translation is attached.
